RESOLUTION NO. 10-22
(Authorization to Award the Construction Contract for the
Cottonwood Creek Restoration Project)

WHEREAS, Cottonwood Creek from Easter Avenue to Briarwood Avenue is a highly eroded stretch of channel; and

WHEREAS, the SEMSWA Board authorized the design funding (\$32,000) and construction engineering services funding (\$90,000) for the Project with Resolution No. 08-14 and Resolution No. 09-36, respectively; and

WHEREAS, the bidding process for the construction of the Project has been completed, and a lowest responsible bidder selected; and

WHEREAS, the selected bid for construction is \$1,210,153.86; and

WHEREAS, the lowest responsible bidder is Hudick Excavating, Inc.; and

WHEREAS, it is typical in the industry to budget the bid amount plus an additional ten (10) percent to cover contingencies that may be encountered during construction, however due to the unknown conditions associated with the earthwork a fifteen (15) percent contingency is reasonable; and

WHEREAS, the bid amount (\$1,210,153.86) plus an additional fifteen (15) percent (\$181,523.08) is a total of \$1,391,676.94 for the construction; and

WHEREAS, SEMSWA had adopted a budget for calendar year 2009 subsequent to public hearing, which includes funds for construction of the Project.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Executive Director is authorized to enter into a construction contract with Hudick Excavating, Inc. in the amount of \$1,210,153.86 on behalf of SEMSWA for the construction of the Project.

2. The funding for the Project is limited to \$1,391,676.94 without prior approval of the Board.
