RESOLUTION NO. 10-39

(Authorization to Fund the Design of the Greenfield Crossing for the Piney Creek Trail)

WHEREAS, although this tributary to Piney Creek is not FEMA regulated, it is still a City of Centennial regulated floodplain; and

WHEREAS, SEMSWA and UDFCD agreed that the proposed boardwalk crossing was not appropriate in this case as this is an active stream channel not an outlying wetland area; and

WHEREAS, City of Centennial criteria for pedestrian bridges/low-water crossings requires the structure to span a minimum of a 10-year size flood; and

WHEREAS, City of Centennial Open Space Program and SEMSWA agreed to fund the design of the crossing as Arapahoe Parks and Recreation District did not have a bridge design in their project budget; and

WHEREAS, at the request of the City of Centennial, SEMSWA requested a cost estimate and scope of work from URS because of their past successful work for the City in addressing floodplain and floodplain related design issues

WHEREAS, SEMSWA received a cost and scope of work from URS for a not to exceed amount of \$36,438; and

WHEREAS, it is appropriate to include in this authorization a contingency in the approximate amount of 10% of the not to exceed cost and scope of work or \$3,562; and

WHEREAS, funds are available for this authorization in the Floodplain Management budget.

1. The maximum funding for the project, without prior approval of the Board, shall be \$40,000.
