

## Summary of Stormwater Service Charges for the 5 Largest General Aviation Airports in the US

Prepared for SEMSWA by AMEC

<b>Airport</b>	<b>Location</b>	<b>Pay SW Fees?</b>	<b>Pay Fees on Runways, Taxiways, Aprons?</b>	<b>Comments</b>
Boeing Field/King County International Airport (BFI)	Seattle and Tukwila, WA	YES	YES	Cities do very little SW service for airport. Airport gets a small credit and is still negotiating for a larger credit. Leasee's are billed directly.
Richard Lloyd Jones / Riverside Airport (RVS)	Tulsa, OK	NO	na	
Daytona Beach International Airport (DAB)	Daytona Beach, FL	YES	NO	Fees are a bit arbitrary and are negotiated with the City.
Kendall-Tamiami Executive General Airport (TMB)	Miami, FL	YES	NO	
Ft. Lauderdale Hollywood Executive Airport (FXE)	Ft. Lauderdale, FL	YES	YES	

The 100 busiest general aviation airports were listed in the "Airport Journal" in May 2009

Information was gathered with emails and telephone calls with airport and/or stormwater enterprise staff.
