RESOLUTION NO. 29, SERIES OF 2007
(Authorization to Contract for Household Hazardous Waste Collection Services)

WHEREAS, the City of Centennial and Arapahoe County have committed under Program 3 of their NPDES MS4 permits to conduct each year a household hazardous waste (HHW) collection program; and

WHEREAS, the IGA creating SEMSWA requires SEMSWA to accept transfer of the MS4 permits from the City and County and to accept the responsibility resulting from the transfer of such MS4 permits; and

WHEREAS, since 1999 Arapahoe County has contracted with Curbside, Inc to collect HHW from homes at curbside as well as a drop off facility for residents of the City of Centennial and unincorporated Arapahoe County; and

WHEREAS, the HHW collection service requires a \$20 copay from each homeowner that participates with SEMSWA paying the remaining costs of roughly \$90; and

WHEREAS, the cost of the HHW collection program has varied from \$35,000 per year to \$55,000 per year depending on usage of the service; and

WHEREAS, for the remainder of 2007 HHW collection program costs are not expected to exceed \$35,000; and

WHEREAS, the Board desires to continue the HHW curbside collection program on behalf of Centennial and Arapahoe County in fulfillment of their NPDES MS4 Program 3 permit requirements; and

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Executive Director is authorized to contract with Curbside, Inc. for HHW collection services for 2007 consisting of a door-to-door service or a facility drop-off option. However, such collection service shall be limited to one time per resident per calendar year.
2. The cost of the HHW collection services for 2007 shall not exceed \$35,000 without further approval of the Board.
