Honorable Mayor and Members of City Council  
Jacque Wedding-Scott, Acting City Manager  
City of Centennial  
12503 E. Euclid Dr., Ste. 200  
Centennial, CO 80111

Dear Mayor, Council Members, and Ms. Wedding-Scott:

On behalf of the Board of Directors and staff of the Southeast Metro Stormwater Authority, I want to thank you for your continuing support. Since its formation a year ago, SEMSWA has grown from a fledgling organization to one that is financially strong and able to provide superior regional stormwater services to the citizens of Centennial and Arapahoe County.

During 2007, SEMSWA has achieved several significant milestones including collection of 97% of its storm drainage utility fees, hiring a staff of 22 people, and the initiation of several significant projects. Of particular note is the fact that SEMSWA paid its initial installment on its \$3.5 million operating loan when due on August 1. SEMSWA stands fully capable of meeting its obligations on a timely basis.

Enclosed with this letter is our check for \$199,914.87 for full and final payment of our obligation to the City for monies advanced to SEMSWA during its formation stage. We are truly appreciative of the City's effort in supporting us financially and want to continue to earn your trust by paying this obligation in a timely manner.

Going forward, SEMSWA plans to make significant progress in providing flood control and improving water quality in the community. We exist to serve you and our customers. If we may be of service in any way, please do not hesitate to contact any of our board members or Jed Lugod, our Executive Director.

Again, we want to thank you for your support. We look forward to many more years of collaborative accomplishments with you and the City of Centennial.

Very truly yours,

Bart W. Miller  
Chairman
