Re: Southeast Metro Stormwater Authority 2008 Fees

Dear Mr. Milliken:

This letter certifies that the enclosed CD contains the stormwater fee information that your office will use to bill the 2008 stormwater fee as a line-item on the 2007 property tax bill. The total fees to be billed and collected are **\$7,803,541.06** and exactly **58,347** parcels are affected by these fees.

Unpaid stormwater fees will not incur a delinquent charge from your office. On or around August 1st of 2008, any unpaid stormwater fees will be removed from your records and reported back to SEMSWA. We retain the option of certifying some or all of these delinquent amounts back to you for collection on November 1, 2009. We understand that a 30% delinquent collection service fee would be added by your office to the delinquent stormwater fee amounts upon certification.

Sincerely,

Jed Lugod, P.E.
