

# Vehicle and Equipment Purchase Recommendations

Maintenance Program Manager  
Transportation Vehicle

## 2009 Ford Expedition 4x4

Color Choice is Oxford White

## Purpose of Request to Purchase

- Transportation for Maintenance Manager to respond to service requests and provide QA/QC on maintenance and improvement projects
- Replaces use of manager's personal vehicle to eliminate damage and insurance issues arising from off-road use for business purposes
- Capability of towing trailers for occasional transport of equipment and materials to job sites
- Capability of operating off-road (4x4) to remote sites
- Used for transporting staff and officials to on site meetings and other group functions

## Purpose of Request to Purchase

- Transport of maps, drawings, tools and equipment for performing inspections
- Eliminates need to operate personal vehicle 80 to 120 miles per week
- Provides on site identification as an official SEMSWA vehicle
