

**SEMSWA Interim Executive Director and Interim Finance Director Proposal Summary  
10/30/2006**

**Interim Executive Director**

Firm	Understanding and Approach	Met Reqmt's of RFQ	Understanding of SEMSWA Needs	Company Experience and Capability	Staff Experience	Rank	Comments
Nolte Associates	VG	G	VG	G	VG	1	Nolte provided a well organized, attractive SOQ which met the requirements of the RFQ. They have good experience in storm drainage operations. Ken Rudolph is in charge of Nolte's Rocky Mountain region, and it may be difficult for him to devote 20 to 40 hours per week as Executive Director of SEMSWA, unless he delegates some of his existing management duties.
Ajilon	G	G	G	F	F	2	The proposal for Executive Director had several references to the Finance Director position, i.e. forgot to change reference in their template. Proposed Executive Director has no experience in stormwater management.
RS Wells, Clifton Gunderson, Merrick	P	P	F	G	G	3	Did not follow the required format for the SOQ. Included engineering services which was not requested and showed a lack of understanding of SEMSWA needs. Had typos in their submittal.
Muller	Responded that they have decided not to pursue.						
CH2M HILL	Responded that they have decided not to pursue.
