RESOLUTION NO. 49, SERIES OF 2007  
(Authorization to Fund a Study of the Options to Solve Flooding of Two Homes  
Along Goldsmith Gulch)

WHEREAS, Goldsmith Gulch passes through Arapahoe Lake at Maplewood Avenue;  
and

WHEREAS, two homes (9828 and 9838 East Maplewood Circle) adjacent to Arapahoe  
Lake experience frequent flooding due to the elevation of the floodwaters of Arapahoe Lake; and

WHEREAS, Arapahoe County has identified \$500,000 for drainage Outfall System  
Planned improvements for Goldsmith Gulch; and

WHEREAS, SEMSWA has requested the \$500,000 from the County to initiate the design  
and construction of the Outfall System Planned improvements for Goldsmith Gulch; and

WHEREAS, SEMSWA has identified \$75,000 in the 2007 budget to identify and  
implement solutions to the flooding of the two homes; and

WHEREAS, Moser and Associates prepared both the Flood Hazard Area Delineation and  
the Outfall Systems Planning reports for Goldsmith Gulch, and is listed on the Arapahoe County  
short list for Engineering Services, and

WHEREAS, \$10,520 is sufficient to complete a study of the alternatives to address the  
flooding of the two homes located at 9828 and 9838 East Maplewood Circle; and

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Board authorizes \$10,520 for the study of alternatives that would alleviate  
flooding to the two properties located at 9828 and 9838 East Maplewood  
Circle.
2. The Executive Director is authorized to execute an agreement with Moser and  
Associates for the study to alleviate flooding to those two properties.
