RE: MS4 Permit Coverage for Inverness Water & Sanitation District  
Southeast Metro Stormwater Authority, CDPS Cert. No. COR-080021  
Arapahoe County Water and Wastewater Authority, CDPS Cert. No. COR-070219

Dear Mr. McCarty and Mr. Atkins,

The Water Quality Control Division (the Division) has received and reviewed the letters from Southeast Metro Stormwater Authority (SEMSWA) and Arapahoe County Water and Wastewater Authority (ACWWA), dated August 17, 2011 and August 11, 2011, respectively. The letters, and attached Notice of Termination requested that ACWWA's MS4 discharges be placed under the above referenced certification issued to SEMSWA and that the ACWWA's above referenced certification be terminated.

The Division approves this request. The following actions are effective as of September 9, 2012:

1. ACWWA's MS4 permit certification, COR-070219, is inactive.
2. SEMSWA's MS4 permit file for certification COR-080021 is amended to include the updated information to identify that SEMSWA's MS4 now includes the area previously operated by ACWWA, and located in an Urbanized Area. A revised copy of the permit certification is not necessary to note this change.

If you have any questions, please contact me at (303) 692-3555.

Sincerely,

Nathan Moore
